June 2015

## AIRE WAVES

### PRESIDENTS MESSAGE – Adele Abe

Greetings to all Airedalers,

On April 12, 2015 we had a Board Meeting at my home in Birchrunville, Pa. There was a good attendance of officers and Board members. The major discussion was to get a schedule of pleasant activities for Airedales and their people. All agreed that we would not have meetings in July and August. Due to exhibited lack of interest in the last couple of match show and picnics, there will be no Match Show this year. The meeting in Sept. could include a hike in Valley Forge Park. The only definite date set was for our Christmas Party at Eagle Tavern on Dec. 6, 2015. It would be nice if we could get 20 participants for this Party. Set the date aside.

The Club's Specialty and tail gate party were on May 2, 2015 at the Bucks Co. KC show at Erwina, PA.

We had one entry in **Sweepstakes: Joval Black Pearl.** owned by Valeria and John Rickard. There were 24 Airedales in regular classes. Results are:

**The raffle basket was won by Ted Hollander. The lunch was very nice, and we really should thank Brenda and Barbara. We missed Ann Kochler this time. Thanks to all who helped and supported.**

I would like to mention the loss of Joey Fineran in early March. Joey was an original member of our Club, a past president, and initiator of the club newsletter. She was the founder of the ATCA's rescue committee and devoted many years helping Airedales in need.

Our next meeting will be at The Gazebo at the W. Vincent Township Park on **Saturday, June 20, 2015 at 11:00 am.** Bring a Brown Bag Lunch. There will be fun and games for Airedales as well as help with grooming and handling, if you are interested. Bring your Airedales and have some fun with them!!!!!!

**Please, help! Everyone welcome.**

Adele Abe

### **ATCGP SPECIALTY FOR 2015**

When the Sweepstakes were called to the ring, the sole entry, presented by Valeria Rickard, was Joval Black Pearl. She was a beautiful young bitch, and replacement judge, Jack McLaughlin, had no trouble giving her all the ribbons.

The weather was pleasantly cool and sunny - a great day to have the Airedales all really showing their stuff. Twenty-four Airedales answered the call to the ring for the regular classes and Judge Anne Katona did a great job of sorting them out. All of the principal winners are listed in the President's message above.

The club's hospitality tent was about 50 yards from the ring and was well attended for the luncheon which was held after Best of Breed. Lots of sandwiches were left over --- we could have fed quite a few more people. Of course, the centerpiece Airedale cake was in evidence throughout the meal, and it was as delicious as it always has been. Brenda and Karen were responsible for the lunch and did a great job. We all missed Anne and hope she is feeling better now.

## **TIME**

Time is  
Too slow for those who wait,  
Too swift for those who fear,  
Too long for those who grieve,  
Too short for those who rejoice,  
But for those who love,  
Time is not.
